

**Please follow these steps to login and create your Volunteer Hub account:**

1. Go to the top right hand side of the screen and click on the link called 'Log in'. You will be taken to a new page.
2. You need to click on the grey button with the words 'Create new account'.
3. As shown in the picture below, you will then be asked to create a username and password, as well as other details such as your email, your first name and your surname and tick a box to make sure you are not a robot. **For your username, please use an email address.**
4. Once you have filled in those details, click the green button labelled 'Create my new account'.
5. An email will have been sent to your email address with a link to the Volunteer Hub to confirm your account.
6. Click on the link in your email which will take you back to the Volunteer Hub.
7. You will need to log in using your new account so go back to the top right hand corner and click 'Log in'.
8. This time enter your username and password and click 'Log in' and you will be taken back to the home page and can now access all of the courses.
